for those persons concerned with the state of our planet and its inhabitants. The New Yorker informs, penetrates and comments on the contemporary scene with a unique blend of intelligence, wisdom and wit.

The New Yorker—current, coherent, impartial and thorough . . . page after page . . . week after week . . . ranging from Pauline Kael on movies to Robert Shaplen's biting Profile of Saigon to Kenneth Tynan's sparkling coverage of Nicol Williamson to the pointed humor of cartoonists such as Addams or Price.

Memphis State University Directory

1972-1973 CLASSIFIED BUYERS' GUIDE

On the following pages you will find the businesses who have helped make this DIRECTORY possible. These advertisers appreciate the business that is generated by the students, faculty and staff, and the DIRECTORY would like to encourage these students, faculty and staff members to patronize the firms listed in this "Classified Buyers' Guide." A special effort has been made to include a wide variety of merchants who provide products and services in the area of the University Community. Shown here is a copy of the new "Classified Buyers' Guide Sticker" that is made available to merchants who are included in the "Classified Buyers' Guide." Look for it when you shop and patronize a business that supports the University students and their projects and sincerely appreciates any business it receives in return.
